

# ADAMS PLOW,

MANUFACTURED BY

W. J. Adams, Plymouth.

The Best Plow Ever Introduced into Northern Indiana.

First Premium awarded at the Marshall County Agricultural Society Fair, 1871, 72 and 73. When exhibited and tested in competition with the "Oliver" South Bend Plow, Laporte Cast Steel Plow, and the best Plows manufactured at Goshen, Warsaw and Fort Wayne. The Committee and spectators were of the opinion that the

# ADAMS PLOW

Was not only the best, but far Superior to any other Plow on Exhibition in Strength, Durability, and the manner in

Which it Does its Work.

These Plows are manufactured in your County, where any defect can be remedied, and duplicate pieces supplied without delay or inconvenience to purchasers. I have now a full supply of these Plows on Sale for the spring trade and invite Farmers to give them a trial, believing that they will give complete satisfaction in every instance.

These Plows are manufactured at my Foundry in Plymouth, Indiana, South of the River Bridge, where they can be seen by all desiring to purchase at any time.

# "HOW TO GO WEST."

This is an inquiry which every one should have truthfully answered before he starts on his journey, and a little care taken in examination of routes will in many cases save much trouble, time and money.

The Chicago, Burlington & Quincy Railroad has achieved a splendid reputation in the last three years as the leading Passenger Route to the West, Starting at Chicago or Peoria, it runs direct through Southern Iowa and Nebraska, with close connections to California and the Territories. It is also the short line and best line to Quincy, Missouri, and all points in Kansas and New Mexico. Passengers on their way westward cannot do better than to take this route.

This line has published a pamphlet entitled "How to go West," which contains much valuable information; a large, correct map of the Great West, which can be obtained free of charge by addressing the General Western Passenger Agent, Chicago, Burlington & Quincy Railroad, Chicago, Ill.

Rheumatism

Neuralgia.

WE CLERGYMEN

WERE CURED

of Chronic and Acute Rheumatism, Neuralgia,

Lumbago, Sciatica, Kidney, and Nervous Diseases,

after years of suffering, by taking Dr. Fifer's

Vegetable Rheumatic Syrup—the scientific

discovery of J. P. Fifer, M. D., a regular gradu-

ate physician, with whom we are personally ac-

quainted, who has for 39 years treated these diseases

exclusively with astonishing results. We be-

lieve it our Christian duty, after deliberation,

to conscientiously request sufferers to use it, espe-

cially persons in moderate circumstances who cannot

afford to waste money and time on worthless mix-

tures. As clergymen we seriously feel the deep re-

sponsibility resting on us in publicly endorsing this

medicine. But our knowledge and experience of

its remarkable merit fully justifies our action.

Yours truly, &c., Rev. C. H. Ewing, Modis, Penn'a,

suffered sixteen years, became hopeless. Rev.

Thomas Murphy, D. D., Frankford, Philad'a. Rev.

J. B. Davis, Lightstown, New Jersey. Rev. J. S.

Buchanan, Clarence, Iowa. Rev. G. G. Smith,

Pittsford, New York. Rev. Joseph Beggs, Falls

Church, Philadelphia. Other testimonials from

Senators, Governors, Judges, Congressmen, Phy-

sicians, &c., forwarded gratis with pamphlet ex-

plaining these diseases. One thousand dollars

will be presented to any medicine for these diseases

showing equal merit under test, or that can pro-

duce one-fourth as many living cures. Any per-

son sending by letter a description of affliction

will receive without charge (if considered curable)

a legally signed guarantee, naming the exact num-

ber of bottles warranted to cure. If agreeing to re-

fund amount paid in case of its failure to cure.

Price per bottle, \$1.25; can be bought as used. Affected

individuals invited to write for medical advice on above

diseases only. No charge for reply, which will con-

tain much valuable information acquired by a life-

time practice. No compulsion to buy medicine.

Address Dr. Fifer, Philadelphia. Printed explana-

tions of the disease also furnished.
